I have but onely one Eclipse to write of, and that is of the Sun, which happeneth the 22th. day of June at

ing, the sun will be eclipsed 7. minutes, and 2. 3ds. But those who have the latit of 42. degrees, and longit. of 36. d. and 30. m. to them it will almost totall, the Colour will be a gray.

The Places signified by the Signe this Eclipse happeneth in, is Scotland, Granado, Holland, Zealand, Prussia, Africa, Carthage; Of Cities, and Townes, Constantinople, Tunis, Venice, Bern, York, St. Andrews, Lubock, Witenburge.

The

*The foure Seasons of th Year
And first, Of the Spring.*

THE Spring beginneth; when the Sun
entreteth the first scruple of *Artes*;
which will be about six in the morning the
tenth day of *March*. A forward Spring.

*Now Winters boystrous storms are passed o're,
That season's coming, Ladies most adore;
This is the Quarter doth content them best,
Because like them, it is so sweet, so drest.*

Summer.

(Fields
See what the Spring hath brought into our
A wealthy Summer, what delight it yields
Then let us ply our businesse whilst we may,
And take our ease when it's a rainy day.

Summer begins upon Munday the 11th
day of June, 9. hours and 30. min. in the
Morn, at what time the Sun enters the first
min of *Cancer*. This Summer toward the
latter end will breed strange Contagious
Diseases

Diseases, and strange Thundrings and
Lightnings in the Ayre.

Harvest.

Harvest beginneth the 12th. day of Sep-
tember upon Wednesday about mid-
night, at which time the Sun enters the first
minute of *Libra*; God send us our health,
for 'tis like to be a good plentifull Harvest.

*Welcome is Harvest, for each poor man may
Make providence against a rainy day;
And he that's idle at this time of th' year,
Shall not so much as taste of Christmas cheer.*

Winter.

*New Winter's come, and it is my desire,
To get a Toaste, and sit down by the fire;
And neighbour like, wee'l sit & talk & prate,
But not 'gainst King, or Kingdom, Church, or
(State.*

Winter beginneth upon Tuesday the
11th. of December, about halfe an houre
past 11. before Noon: And good seasona-
ble Winter.
